Support and Services:

Mooncake Storage Tins Technical Support and Service

We offer technical support and service for our Food Storage Tins products. Our experts are available to answer any questions you have and provide assistance in troubleshooting any issues you may have. We also provide product training to ensure you are getting the most from your Food Storage Tins.

Packing and Shipping:

Packaging and Shipping Mooncake Tin Containers

Food storage tins must be packaged and shipped in a safe and secure manner, to ensure that the product arrives in perfect condition. The following guidelines should be followed when packaging and shipping food storage tins:

The tins should be packaged in a cardboard box that is large enough to accommodate the tins and any other items that may be included in the shipment.

The box should be clearly labeled with the product name and destination address.

The box should be sealed with strong adhesive tape.

The box should be placed in a larger box for extra protection.

The box should be shipped via a reliable carrier and tracked to ensure delivery.
