Support and Services:

We provide technical support and service for Rectangular Christmas Tin Box. Our technical support team is available 24/7 to answer your questions and provide assistance with troubleshooting. In addition, we provide free online tutorials and resources to help you get the most out of your product.

Packing and Shipping:

Packaging and Shipping for Rectangular Christmas Tin Box

Every tin should be enclosed in a plastic bag before being packed with other tins in a double-walled outer carton. The outer carton must have shipping marks printed on it.

Shipping methods such as air freight, sea freight, or express mail should be considered depending on the size of the package and the destination. The package should be tracked during the shipping process to ensure it reaches the destination safely and on time.
